Established in the year 2017, we, “BRG Biomedicals”, Haryana, India is one of the leading manufacturers and suppliers of a wide gamut of lab accessories, rapid test kits, surgical items, pipette pipes, test strips and many more. All our products are manufactured adhering to the pre-set industry set guidelines in our completely equipped manufacturing unit located in Panipat, Haryana. Manufactured from the highest quality raw materials, the lab and surgical accessories are checked against different stringent quality parameters to ensure precision in performance. Our offered range of products is demanded by clients for their precise performance, durability, finest quality and cost-effective rates.

As a reputed name in the medical equipment industry in the country, we have also developed a warehouse facility, to store our products in a hygienic atmosphere, thus protecting them from any sort of hazardous effect. Equipped with the latest manufacturing technologies, state-of-the-art infrastructure and motivated team of professionals we supply the best quality range of laboratory equipment and surgical items in every part of the country. We can cater to the specific requirements of customers or bulk orders of lab equipment in the shortest stipulated time frame.

Our mentor, Mr Siddhartha Gahlyan, has been a great source of motivation for all the employees in attaining the organization’s goals and ensuring the maximum client satisfaction.
