PGE Industries Pvt Ltd (PGE) is primarily into manufacturing of FDA approved Seals and Gaskets from Silicon Rubber or Food Safe products. We also offer materials made from FDA approved PTFE for medical equipment. Our team consists of various Mechanical Engineers certified for Defence, Oil & Gas and various critical services.

Heeding the call of Hon PM Modi, we have converted our manufacturing facility to also offer Face Shields (using our Automation Machines), Infrared Thermometers, Hand Sanitizers and Face Mask to help fight against the COVID 19 Pandemic. We can also offer ePTFE Filter membrane for development of Masks.

Products we offer

1. Infrared Thermometer- nonContact
 2. Face Shield- **Made in India**
 3. Hand Sanitizers- **Made in India**
 4. N95 Masks- **Made in India**
 5. PTFE or Teflon Products- **Made in India**
 6. PPE Kits- **Made in India**
 7. COVID Rapid Testing Kits- **Made in India**
 8. N99 Masks- **Made in India**
